PRESIDENT'S MESSAGE

One of privileges being President is inducting a new member. I feel very honoured to be able to induct Sam Turner into our Rotary club last week. Sam and his wife Susan recently moved to the Peninsula. Please show them that friendly Redcliffe spirit and introduce yourself when you see them next.

Well Rotary made the local papers. Our brand is on the Santa sleigh for all to see. Steve Micah has organised a roster to maintain our Rotary presence. You have an opportunity to mention to residents in our community the wonderful work of Rotary. Add you name to the roster and be part of the group who are saying how special it is when you see the children (and older children too) say hi to Santa and his helpers. Don't miss out call Steve today.

We were so lucky to have one of our newer members Marty Miller be our guest speaker last week. He was in the right place at the right time (outside my business) when the call came through our guest speaker has cancelled. When asked Marty did not hesitate to fill the role. Wow what a great guest speaker he was. We all know a bit more about jumping out of planes. Even our exchange student Lisa knows even more. Thanks Marty well done.

It is now December and a busy month ahead. Starting off with our special Christmas BBQ night at Tamariki. The bags are being filled and Santa's transport being arranged. I look forward to seeing you, your family and the smiling faces with this Tuesday.

Just remember not any one person can do everything, but together we can all do something.

Take Care, God Bless **Maddie**

Rotary In Action

[In his December message](#), RI President John Kenny talks about celebrating family during Family Month. "Every club should strive to achieve a balanced interaction between Rotarians and their families -- and the family of Rotary. Only by working together, as a family, can we ensure that the Rotary of today grows into an even stronger Rotary of tomorrow," says Kenny.
